Budan M80

Bean to Cup Coffee Machine

Deliver Premium Coffee Experience
With A Touch Of A Button

kaapimachines.com

About Budan:

BUDAN, inspired by Baba Budan, offers businesses and coffee lovers professional-grade coffee machines, equipment, and accessories. The Budan M80 is a testament to our commitment to affordability, providing a range of commercial equipment that is both high-quality and cost-effective for small businesses.

Budan M80 offers the best coffee experience. Its advanced technology simultaneously brews an espresso and steams milk for consistent quality. A user-friendly interface with a sleek and modern style makes it an all-rounder for any professional setting.

Welcome to the world of remarkable coffee brewing!

The Budan M80 Delivers a Premium Coffee Experience

Features and Innovations:

Advanced Brewing Technology:

-15-Bar Pump Pressure: Ensures optimal extraction for rich, full-bodied espresso with a perfect crema.

Programmable Settings:

-Customisable Beverage Options: Program and save your preferred espresso, cappuccino, and more settings. Add up to 20+ beverage recipes.

One-Touch Operation:

-User-Friendly Interface: Simple touch buttons for easy and quick operation, perfect for beginners and seasoned baristas.

Energy-Saving Mode:

-Auto Shut-Off: The machine powers down after inactivity, conserving energy and enhancing safety.

High-Capacity Water Reservoir:

-4-Liter Tank: Large water tank for making multiple cups of coffee without frequent refilling, and it's removable for easy cleaning.

Quiet Operation:

Low Noise Levels: Engineered for quiet performance, allowing you to enjoy your coffee without disturbing others.

Easy Maintenance:

-Self-Cleaning Function: Automatic cleaning cycle for the brewing unit and milk system to keep the machine in optimal condition with minimal effort.

Compact and Stylish Design:

-Modern Aesthetics: Sleek, compact design that fits seamlessly into any kitchen or office space without taking up too much counter space.

-Premium Finish: High-quality materials and finishes.

- Removable Drip Tray and Brew Group: Facilitates easy cleaning and maintenance.
